OUR COMPANY

We Hear

We Understand

We Value The Words of our clients

MESSAGE FROM CEO

Established in 1997, Rayat Al Jazeera (RAJCCO) was founded to meet the burgeoning demand within Kuwait's real estate sector. Since inception, our commitment has been unwavering, dedicated to upholding the highest standards in contracting and construction. We have meticulously curated a team comprising top-tier professionals, including engineers, managers, accountants, and financial executives, ensuring excellence across every project undertaken.

Recognized by pertinent Kuwaiti authorities as a "Grade A" contractor, RAJCCO excels in building construction, roads and infrastructure, electrical work, and air conditioning installations, enabling us to tackle projects of diverse scales and specifications. Our guiding principles of quality, safety, integrity, cost-effectiveness, and professionalism, coupled with enduring client relationships, form the bedrock of our operations.

Building upon our success in Kuwait, RAJCCO has expanded its footprint globally, establishing branches in Egypt in 2008 and California, USA in 2018. Across all locations, we uphold the same ethos of dedication and excellence, ensuring each project reflects our core values.

At RAJCCO, we view our clients and partners as integral members of our team. Every project is executed with transparent communication and mutual respect, laying the foundation for our continued success.

PRIVATE VILLAS

An aerial photograph of a modern, curved villa. The building features a prominent curved facade with a large, curved window or balcony area covered in a dark, textured mesh. A swimming pool is visible in the foreground, surrounded by a paved area and some landscaping. The villa is situated on a plot with trees and a driveway. A black car is parked on the driveway. The overall design is contemporary and minimalist.
